

Statement of purpose

Health and Social Care Act 2008

STAFFA HEALTH MEDICAL PRACTICE

Vision:

To be a trusted general medical service offering innovative, flexible patient centred quality care to people to support their health and social care needs throughout life.

To provide a rewarding place to work in a supportive multidisciplinary team with a healthy work / life balance for staff working in the organisation.

Updated January 2014

Please read the guidance document *Statement of purpose: Guidance for providers* and also the notes at end of this template before completing it.

Statement of purpose

Health and Social Care Act 2008

Aims and objectives *What do you wish to achieve by providing regulated activities?*

How will your service help the people who use your services?

Please use the numbered bullet points:

1. To provide quality primary care treatment to our patient population in the community and avoiding hospital admissions where appropriate
2. To focus on prevention of disease by promoting self-care, providing lifestyle information and offering opportunities for signposting to support people make healthy life style choices
3. To understand and meet the needs of our patients, involve them in decision making about their treatment and care and encourage them to participate fully.
4. To involve other professionals in the care of our patients where it is the patients best interests, i.e. referrals for specialist care , specialist community services, joint working with social services and voluntary agencies
5. To ensure that all members of the team have the right skills and training to carry out their duties competently and to create an educational environment, where staff promote and share learning amongst themselves, doctors in training and all members of the team
6. To listen to the views of patients using patient satisfaction surveys, complaints reviews and meetings with our patient group and use this feedback to work with patients make changes and evolve the service
- 7..To work in collaboration with Hardwick CCG to bench mark and audit our services and ensure the appropriate commissioning of services for our patient population
